

Guide to Use SOS - Employee Call – Out – Calendar

The link for the Employee Call out calendar - <https://sos-call-out-calendar.vercel.app/>

1. You can click on the link to access the Employee Call Out Calendar

The screenshot shows the 'Report an absence or planned time off' form on the 'Success On The Spectrum' portal. The header includes the SOS logo, the text 'Success On The Spectrum Call-Out & Time-Off Portal', and links for 'Team calendar' and 'Manager calendar'. The main heading is 'Report an absence or planned time off' with a subtext: 'Employees can notify the management team about a call-out or planned time off.' The form fields are: 'Employee name' (text input with placeholder 'Enter your full name'), 'Request type' (dropdown menu with 'Called Out' selected), 'Date of absence' (calendar input with placeholder 'mm/dd/yyyy'), and 'Reason (required)' (text area with placeholder 'Briefly explain the absence.'). A note states: 'PTO must be submitted at least 48 hours in advance. Sick Leave requires a reason.' At the bottom, it says 'Submission details and submission time are available only to authorized managers.' and a 'Submit' button.

2. The Employee would need to enter their name and then the type of request that they are making (Called Out, PTO, Sick Leave and other)
3. For PTO the employee must select the date 48 hours before the submission to make a PTO request.
4. So, once they select the date after 2 days then they would be able to choose the PTO option.
5. The reason is not required for PTO but the Called out and the Sick Leave they would need to give a reason.
6. Now the Manager Calendar: click on the manager calendar at the top left of the page to access this.

SUCCESS ON THE SPECTRUM

Report an absence or planned time off

Employees can notify the management team about a call-out or planned time off.

Employee name

Enter your full name

Request type

Called Out

Date of absence

mm/dd/yyyy

Reason (required)

Briefly explain the absence.

Submit

PTO must be submitted at least 48 hours in advance. Sick Leave requires a reason.

Submission details and submission time are available only to authorized managers.

7. It will ask for the manager calendar password – successonthespectrumadmin@2026

AUTHORIZED MANAGER ACCESS

View the manager calendar

Enter the manager password to view and manage call-outs, time-off requests, and calendar notes.

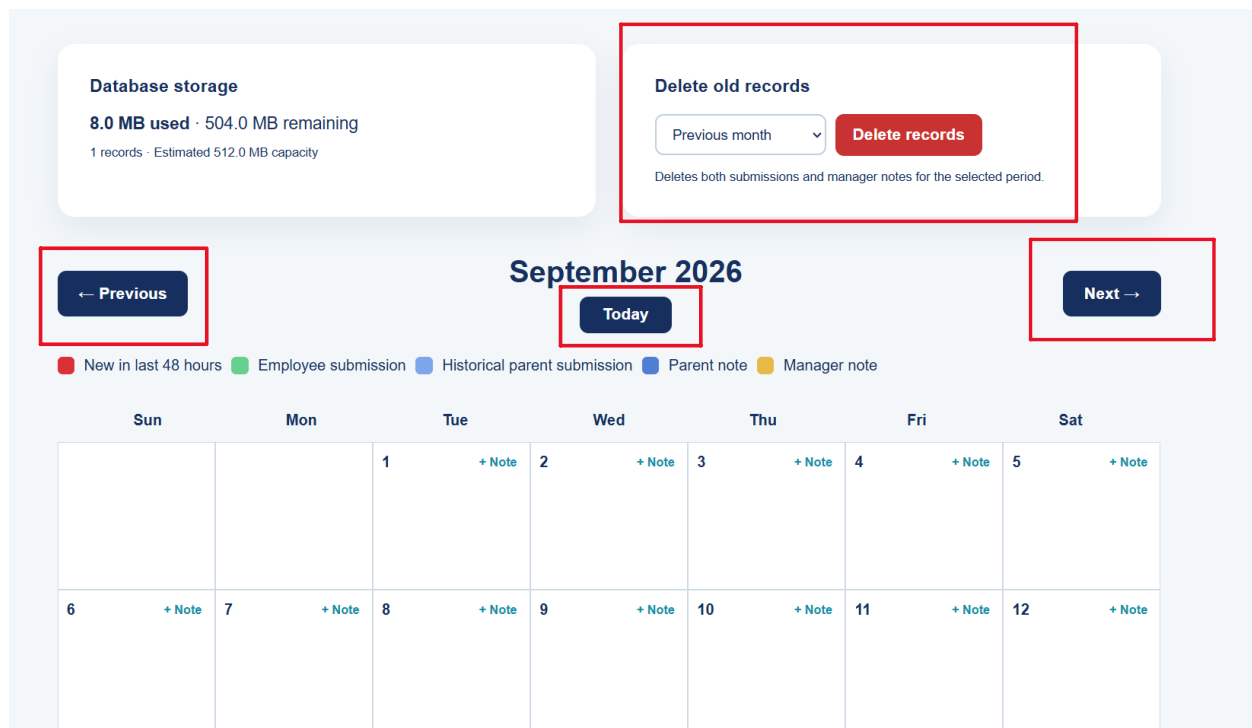

Manager password

Enter manager password

Open manager calendar

[← Return to submission form](#)

8. Once the password is entered then you would be able to view the calendar

9. The manager can view and make changes to the notes that are posted in this calendar. To add a new note the manager needs to select the **+Note** that is present on its respective dates to add the note to that date. The manager can select it to be shown as manager note or parent note so that the parent note helps to identify if the note is for a client that has called to inform that the child is going to be out today.
10. Color Representation
 - Red color notes – Indicate that the note has been newly submitted within the last 48 hours and they turn to their respective colours after 48 hours.
 - Green Colour – It shows the employee submission notes
 - Blue Colour – This shows the Parent submission notes which has been entered by a manager
 - Yellow Notes – These are manager specific notes that have been added by the manager.
11. You can Click on Previous or Next to move between the months and then today will redirect to the month for the current date.
12. There is also the option to delete the records for the previous months (only used when the database storage is near to getting filled with information)
13. Make sure to logout so that no other person has the access to make changes to this calendar
