1. Use the below link to access the arrival/departure form
 - a. Parsippany Location – <https://sos-parsippany-arrival-form.vercel.app/>
 - b. Livingston Location – sos-livingston-arrival-form.vercel.app
2. The instructions are the same for both the above arrival forms
3. After Selecting the link this website will be opened and the parent needs to enter the details of themselves and the client name as well (Make sure the parents enter the same details when they are recording **the arrival time and the departure time**)

A screenshot of a web form titled 'Arrival & departure log'. The form has a dark blue header with the title in white. Below the header, there is a light blue background with a white form. The form contains several input fields and a button. The first field is for 'Parent or guardian name' with a placeholder 'Enter full name'. The second field is for 'Client name' with a placeholder 'Enter full name'. Below these is a section 'What would you like to record?' with two radio buttons: 'Arrival' (selected) and 'Departure'. At the bottom, there are two time input fields: 'Arrival time' (showing '02:57 PM') and 'Departure time' (showing '--:-- --'). A blue button labeled 'Record visit' is at the bottom right of the form.

4. Here is how the completed form would look like and the time is automatically recorded to the time when they are filling up the form.They would need to enter the record visit to successfully store the data.
